Wake me up before you go-go

Jitterbug, Jitterbug, Jitterbug, Jitterbug
You put the boom boom into my heart
You send my soul sky high when your lovin' starts
Jitterbug into my brain (yeah, yeah)
Goes a bang-bang-bang 'til my feet do the same
But something's buggin' me
Something ain't right
My best friend told me what you did last night
Left me sleeping in my bed
I was dreaming
But I should've been with you instead

Wake me up before you go-go
Don't leave me hanging on like a yo-yo
Wake me up before you go-go
I don't wanna miss it when you hit that high
Wake me up before you go-go
'Cause I'm not planning on going solo
Wake me up before you go-go
Take me dancing tonight
I wanna hit that high
Yeah, yeah

You take the grey skies out of my way
You make the sunshine brighter than Doris Day
You turned a bright spark into a flame (yeah, yeah)
My beats per minute never been the same
'Cause you're my lady, I'm your fool
It makes me crazy when you act so cruel
Come on, baby, let's not fight
We'll go dancing, everything will be alright

Wake me up before you go-go
Don't leave me hanging on like a yo-yo
Wake me up before you go-go
I don't wanna miss it when you hit that high
Wake me up before you go-go
'Cause I'm not planning on going solo
Wake me up before you go-go
Take me dancing tonight
I wanna hit that high
Yeah, yeah, yeah, baby

Jitterbug, Jitterbug
Cuddle up, baby
Move in tight
We'll go dancing tomorrow night
It's cold out there but it's warmer in bed
They can dance, we'll stay home instead
Jitterbug

Wake me up before you go-go
Don't leave me hanging on like a yo-yo
Wake me up before you go-go
I don't wanna miss it when you hit that high

Wake me up before you go-go
'Cause I'm not planning on going solo
Wake me up before you go-go
Take me dancing tonight

Wake me up before you go-go
Don't you dare to leave me hanging on like a yo-yo
Wake me up before you go-go
I don't wanna miss it when you hit that high (take me dancing)

Wake me up before you go-go
'Cause I'm not planning on going solo
Wake me up before you go-go (yeah, yeah, yeah)
Take me dancing tonight (oh, ah, yeah, yeah)

2. Wham Rap!

You got soul on the dole?
You're gonna have a good time
Down on the line
You got soul on the dole?
You're gonna have a good time
Down on the line
I said I get, get, get on down
I said I get, get, get, on down
I said I get, get, get on down
I said I get, get, get, on down

Hey, everybody, take a look at me
I've got street credibility
I may not have a job but I have a good time
With the boys that I meet down on the line
I said, D-H-S-S
Man the rhythm that they're giving is the very best
I said, B one, B two
Make the claims, on your name, all you have to do
Well, folks can be a drag, if work ain't your bag
And won't you let them know?
You're more dead than alive, in a nine to five
Then they say you'd got to go
And get yourself a job, or get out of this house
Get yourself a job, are you a man or a mouse?
A finger in each ear, you pretend not to hear
Gotta get some space, get out of this place

Wham, bam!

I am a man
Job or no job, you can't tell me that I'm not
Do you enjoy what you do?
If not, just stop
Don't stay there and rot

In the streets, in the cars, on the underground
If you listen real hard, you can hear the sound
Of a million people, switching off for work
Well listen Mr. Average, you're a jerk
Not me, you can't hold me down
Not me, I'm gonna fool around
Gonna have some fun, look out for number one
You can dig your grave, I'm staying young

Wham, bam!
I am a man
Job or no job, you can't tell me that I'm not
Do you enjoy what you do?
If not, just stop
Don't stay there and rot

If you're a pub man or a club man
Maybe a jet black guy with a hip hi-fi
A white cool cat with a trilby hat
Maybe leather and studs is where you're at
Make the most of every day
Don't let hard times stand in your way
Give a wham, give a bam but don't give a damn
'Cause the benefit gang are gonna pay

Now reach up high and touch your soul
The boys from "Wham!" will help you reach that goal
It's gonna break your mama's heart (So sad)
It's gonna break your daddy's heart (Too bad)
But you'll throw the dice and take my advice
Because I know that you're smart
Can you dig this thing? (Yeah!)
Are you gonna get down? (Yeah!)
Say wham! (Wham!)
Say bam! (Bam!)

Wham, bam!
I am a man
Job or no job, you can't tell me that I'm not
Do you enjoy what you do?
If not, just stop
Don't stay there and rot (D-H-S-S)

Wham, bam!
I am a man
Job or no job (D-H-S-S), you can't tell me that I'm not
Do (D-H-S-S) you enjoy what you do?
If not (D-H-S-S), just stop
Don't stay there and rot (D-H-S-S)

Wham, bam!
I am a man
Job or no job (D-H-S-S), you can't tell me that I'm not
Do (D-H-S-S) you enjoy what you do?
If not (D-H-S-S), just stop
Don't stay there and rot

3. Club Tropicana

Let me take you to the place
Where membership's a smiling face
Brush shoulders with the stars
Where strangers take you by the hand

And welcome you to wonderland
From beneath their panamas

Club Tropicana, drinks are free
Fun and sunshine, there's enough for everyone
All that's missing is the sea
But don't worry, you can suntan

Castaways and lovers meet
Then kiss in Tropicana's heat
Watch the waves break on the bay
Oh soft white sands, a blue lagoon
Cocktail time, a summer's tune
A whole night's holiday
Club Tropicana, drinks are free
Fun and sunshine, there's enough for everyone
All that's missing is the sea
But don't worry, you can suntan
Club Tropicana, drinks are free
Fun and sunshine, there's enough for everyone
All that's missing is the sea
But don't worry, you can suntan

Pack your bags
And leave tonight
Don't take your time
Gotta move your feet; don't you miss the flight!
Pack your bags
And leave tonight
Don't take your time
Gotta move your feet, don't you miss the flight
(Cool, cool, cool, cool)

Club Tropicana, drinks are free
Fun and sunshine, there's enough for everyone
All that's missing is the sea
But don't worry, you can suntan!

4. Everything she wants

Ah, ha-ha
Oh-oh, yeah
'Til you work
Somebody told me
"Boy, everything she wants is everything she sees"
I guess I must have loved you
Because I said you were the perfect girl for me
Baby, and now we're six months older
And everything you want, and everything you see
Is out of reach, not good enough
I don't know what the hell you want from me, oh

Uh-huh, uh-huh, oh-oh, oh-oh
Ah-ha, ah-ha, doo-doo-doo, la-la-la-la
Uh-huh, uh-huh, oh-oh, oh-oh
Ah-ha, ah-ha, doo-doo-doo, la-la-la-la
Somebody tell me, oh
Won't you tell me?
Why I work so hard for you
Give you money, work to give you money (ooh)

Some people work for a living
Some people work for fun
Girl, I just work for you
They told me marriage was a give and take
Well, you've shown me you can take, you've got some giving to do
And now you tell me that you're having my baby
I'll tell you that I'm happy if you want me to
But one step further and my back will break

If my best isn't good enough, then how can it be good enough for two?

Uh-huh, uh-huh, oh-oh, oh-oh
Ah-ha, ah-ha, doo-doo-doo
I can't work any harder than I do (la-la-la-la-la)
Uh-huh, uh-huh, oh-oh, oh-oh
Ah-ha, ah-ha, doo-doo-doo, la-la-la-la-la
Somebody tell me, oh
Won't you tell me?
Why I work so hard for you
Give you money, oh, to give you money (ooh)

Aw, why do I do the things I do?
Tell you if I knew
My God
I don't even think that I love you (la, la, la, la, la)

Give you money, work to give you money (ah)
Oh, yeah
Tell me, Tell me
How could you settle for a boy like me
When all I could see was the end of the week?
All the things we sign, and the things we buy
Ain't gonna keep us together, girl, it's just a matter of time
Work, work
La-la-la-la-la (just a matter of)

Uh-huh, uh-huh, oh-oh, oh-oh
Ah-ha, ah-ha, doo-doo-doo, la-la-la-la-la
Somebody tell me, oh
Won't you tell me? (Somebody)
Why I work so hard for you
Give you money, oh, to give you money (ooh)
Somebody tell me, whoa-oh
Won't you tell me?
Why I work so hard for you
Give you money, oh, to give you money (la-la-la-la-la)
Somebody tell me
Won't you tell me? (Oh, please tell me)
Why I do the things that I do
Give you money, work to give you money (ooh)

Won't you tell me?
Give you money, work to give you money, oh
Work, work
Work, work

[Pre-Chorus]
La, la, la, la-la
Uh-huh, uh-huh, oh-oh, oh-oh
Ah-ha, ah-ha, doo-doo-doo
La, la, la, la-la

[Chorus]
Somebody tell me, oh
(Won't you tell me?)
Why I work so hard for you?
(Give you money)
Work to give you money, oh
Somebody tell me
(Won't you tell me?)
Why I work so hard for you?
(Give you money)
All to give you money (La, la, la, la-la)
Somebody tell me (Won't you tell me?)
(Won't you tell me?) Oh please, tell me
Why I do the things that I do?
(Give you money, work to give you money)

5. Freedom

I won't let you down, I will not give you up
Gotta have some faith in the sound
It's the one good thing that I've got
I won't let you down, so please don't give me up
Because I would really, really love to stick around
Oh, yeah

Heaven knows I was just a young boy
Didn't know what I wanted to be (didn't know what I wanted to be)
I was every little hungry schoolgirl's pride and joy
And I guess it was enough for me (and I guess it was enough for me)

To win the race, a prettier face
Brand-new clothes and a big fat place
On your rock 'n' roll TV (rock 'n' roll TV)
But today the way I play the game is not the same, no way
Think I'm gonna get me some happy

I think there's something you should know
(I think it's time I told you so)
There's something deep inside of me
(There's someone else I've got to be)
Take back your picture in a frame
(Take back your singing in the rain)
I just hope you understand
Sometimes the clothes do not make the man

All we have to do now
Is to take these lies and make them true somehow
All we have to see
Is that I don't belong to you, and you don't belong to me, yeah-yeah

Freedom (I won't let you down)
Freedom (I will not give you up)
Freedom (gotta have some faith in the sound)
You've got to give what you take (it's the one good thing that I've got)
Freedom (I won't let you down)
Freedom (so please don't give me up)
Freedom ('cause I would really)
You've got to give what you take (really love to stick around)

Heaven knows we sure had some fun, boy
What a kick just a buddy and me (what a kick just a buddy and me)
We had every big-shot Goodtime Band on the run, boy
We were living in a fantasy (we were living in a fantasy)

We won the race, got out of the place
Went back home, got a brand-new face for the boys on MTV (boys on MTV)
But today the way I play the game has got to change, oh yeah (oh yeah)
Now I'm gonna get myself happy

I think there's something you should know
(I think it's time I stopped the show)
There's something deep inside of me
(There's someone I forgot to be)
Take back your picture in a frame
(Don't think that I'll be back again)
I just hope you understand
Sometimes the clothes do not make the man
All we have to do now
Is to take these lies and make them true somehow

All we have to see
Is that I don't belong to you, and you don't belong to me, yeah-
yeah

Freedom (I won't let you down)
Freedom (I will not give you up)
Freedom (gotta have some faith in the sound)
You got to give what you take (it's the one good thing that I've
got)
Freedom (I won't let you down)
Freedom (so please don't give me up)
Freedom ('cause I would really)
You got to give what you take (really love to stick around, to stick
around)
Well, it looks like the road to Heaven
But it feels like the road to Hell

Well, I know which side my bread was buttered
I took the knife as well
Posing for another picture
Everybody's got to sell
But when you shake your ass, they notice fast
And some mistakes were built to last

That's what you get (that's what you get)
That's what you get (I say that's what you get)
I say that's what you get (for changing your mind)
That's what you get for changing your mind
That's what you get
That's what you get (and after all this time)
I just hope you understand
Sometimes the clothes do not make the man

All we have to do now (oh, and)
Is to take these lies and make them true somehow
All we have to see
Is that I don't belong to you
And you don't belong to me, yea-yeah

Freedom (oh)
Freedom
(My) freedom
You've gotta give for what you take
Freedom (I'll hold on to my freedom)
Freedom
(My) freedom
You got to give what, to give what, give what you take
Yeah!

You got to give what, give to what to give
May not be what you want from me
Just the way it's got to be
Lose the face now
I've got to live, got to live, got to live

6. Last Christmas

Last Christmas I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

Once bitten and twice shy
I keep my distance but you still catch my eye
Tell me baby do you recognize me?

Well, it's been a year, it doesn't surprise me

Happy Christmas

I wrapped it up and sent it
With a note saying, "I love you", I meant it
Now I know what a fool I've been
But if you kissed me now, I know you'd fool me again

Last Christmas I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

Crowded room, friends with tired eyes
I'm hiding from you and your soul of ice
My God, I thought you were someone to rely on me?
I guess I was a shoulder to cry on

A face of a lover with a fire in his heart
A man under cover but you tore me apart
Now I've found a real love, you'll never fool me again

Last Christmas I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

7. Careless Whisper

I feel so unsure
As I take your hand and lead you to the dance floor
As the music dies, something in your eyes
Calls to mind a silver screen
And all its sad good-byes

I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
I should've known better than to cheat a friend
And waste the chance that I'd been given
So I'm never gonna dance again
The way I danced with you, oh

Time can never mend
The careless whispers of a good friend
To the heart and mind
Ignorance is kind
There's no comfort in the truth
Pain is all you'll find

I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
I should've known better than to cheat a friend (should've known
better, yeah)
And waste the chance that I'd been given
So I'm never gonna dance again
The way I danced with you, oh
Never without your love

Tonight, the music seems so loud
I wish that we could lose this crowd

Maybe it's better this way
We'd hurt each other with the things we'd want to say
We could have been so good together
We could have lived this dance forever
But now, who's gonna dance with me?
Please stay

And I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
I should've known better than to cheat a friend
And waste the chance that I'd been given
So I'm never gonna dance again
The way I danced with you, oh
now that you're gone
(Now that you're gone) was what I did so wrong, so wrong
That you had to leave me alone?

8. Faith

Well, I guess it would be nice if I could touch your body
I know not everybody has got a body like you, oh
But I gotta think twice before I give my heart away
And I know all the games you play because I play them too

But I need some time off from that emotion
Time to pick my heart up off the floor
Oh, when that love comes down without devotion
Well, it takes a strong man, baby
But I'm showing you the door

'Cause I gotta have faith
I gotta have faith
Because I gotta have faith, faith
I got to have faith, faith, faith

Baby, I know you're askin' me to stay
Say, "Please, please, please don't go away"
You say I'm giving you the blues
Maybe, ha, you mean every word you say
Can't help but think of yesterday
And another who tied me down to lover boy rules

Before this river becomes an ocean
Before you throw my heart back on the floor
Oh, baby, I reconsider my foolish notion
Well, I need someone to hold me
But I'll wait for something more

Yes, I gotta have faith
Ooh, I gotta have faith
Because I gotta have faith, faith, faith
I gotta have faith, faith, faith

9. A different corner

I'd say love was a magical thing
I'd say love would keep us from pain
Had I been there
Had I been there
I would promise you all my life
But to lose you would cut like a knife
So I don't dare
No, I don't dare

'Cause I've never come close in all these years
You are the only one to stop my tears

And I'm so scared
I'm so scared
Take me back in time maybe I can forget
Turn a different corner and we never would have met
Would you care

I don't understand it, for you it's a breeze
Little by little you've brought me to my knees
Don't you care
No, I've never come close in all these years
You are the only one to stop my tears
I'm so scared of this love
And if all that there is, is this fear of being used
I should go back to being lonely and confused
If I could, I would, I swear
Oh, I swear

10. Father figure

That's all I wanted
Something special, something sacred
In your eyes
For just one moment
To be bold and naked
At your side
Sometimes I think that you'll never
Understand me (understand me)
Maybe this time is forever
Say it can be, whoa

That's all you wanted
Something special, someone sacred
In your life
Just for one moment
To be warm and naked
At my side
Sometimes I think that you'll never
Understand me (understand me)
But something tells me together
We'd be happy, oh-oh, baby

I will be your father figure (oh, baby)
Put your tiny hand in mine (I'd love to)
I will be your preacher teacher (be your daddy)
Anything you have in mind (it would make me)
I will be your father figure (very happy)
I have had enough of crime (please let me)
I will be the one who loves you
'Til the end of time (of time)

That's all I wanted
But sometimes love can be mistaken
For a crime
That's all I wanted
Just to see my baby's
Blue eyes shine
This time I think that my lover
Understands me
If we have faith in each other
Then we can be Strong, baby

I will be your father figure
Put your tiny hand in mine (my baby)
I will be your preacher teacher
Anything you have in mind (hee)
I will be your father figure
I have had enough of crime
I will be the one who loves you
'Til the end of time

If you are the desert,
I'll be the sea
If you ever hunger
Hunger for me
Whatever you ask for
That's what I'll be
So, when you remember the ones who have lied
Who said that they cared
But then laughed as you cried
Beautiful darling
Don't think of me
Because all I ever wanted
It's in your eyes
Baby
And love can't lie, no
My love is always tellin' me so
(Heaven is a kiss and a smile)
Just hold on, hold on
I won't let you go, my baby

I will be your father figure
Put your tiny hand in mine
I will be your preacher teacher
Anything you have in mind, baby
I will be your father figure
I have had enough of crime
(So I am gonna love you)
'Til the end of time
I will be your father (I will be your)
I will be your preacher (father)
I will be your father (I'll be your daddy, woah)
I will be the one who loves you
'Til the end of time

11. I knew you were waiting

Like a warrior that fights and wins the battle
I know the taste of victory
Though I went through some nights consumed by the shadows
I was crippled emotionally

Somehow, I made it through the heartache, yes, I did
Oh, I escaped (aha ha)
I found my way out of the darkness
I kept my faith (I know you did), kept my faith

When the river was deep, I didn't falter
When the mountain was high, I still believed
When the valley was low, it didn't stop me, no no
I knew you were waiting, I knew you were waiting for me
Uh huh

With an endless desire, I kept on searching
Sure in time our eyes would meet
And like a bridge that's on fire, the hurt is over
One touch and you set me free

No, I don't regret a single moment, no, I don't
(I know you don't) Looking back
When I think of all those disappointments
I just laugh (I know you do), I just laugh

When the river was deep, I didn't falter
When the mountain was high, I still believed
When the valley was low, it didn't stop me, oh
I knew you were waiting, hey, I knew you were waiting for me

So, we were drawn together through destiny, ooh boy, ooh!
I know this love we share was meant to be, oh
(Knew you were waiting) Ooh, yeah

(Knew you were waiting) I knew you were waiting
(Knew you were waiting for me)

I didn't falter, no
(I still believed) When the valley was low
(It didn't stop me) Nothing can stop me, no
(Knew you were waiting) No, I
(Knew you were waiting for me)
(I didn't falter) When the mountain was high
(I still believed) Oh, when the valley was low
(It didn't stop me) No, it didn't stop me, no
(Knew you were waiting) stop me
(Knew you were waiting for me)
(I didn't falter) Oh, oh yeah
(I still believed) Oh, I still believed
(It didn't stop me) Do you know it couldn't stop me now? No
(Knew you were waiting)
Someday (some way), some place (some how)
For me
(I didn't falter) When the valley was low
(I still believed) I still believe (I believed, I believed)
(It didn't stop me) Yeah, it couldn't stop me

12. I'm your man

Call me good
Call me bad
Call me anything you want to, baby
But I know that you're sad
And I know I'll make you happy
With the one thing that you never had

Baby, I'm your man
Don't you know that?
Baby, I'm your man
You bet!

If you're gonna do it, do it right (right)
Do it with me!
If you're gonna do it, do it right (right)
Do it with me!
If you're gonna do it, do it right (right)
Do it with me!
If you're gonna do it, do it right (right)
Do it with me!

So good, you're divine
Wanna take you, wanna make you
But they tell me it's a crime!
Everybody knows where the good people go
But where we're going baby
Ain't no such word as no!

Baby, I'm your man
Don't you know who I am?
Baby, I'm your man
You bet!

If you're gonna do it, do it right (right)
Do it with me (Come on baby)
If you're gonna do it, do it right (right)
Do it with me (Ooh, take me home)
If you're gonna do it, do it right (right)
Do it with me (Please don't leave me here)
If you're gonna do it, do it right
To do it on my own

First class information
Sense your inspiration

And with some stimulation
We can do it right

So why waste time with the other guys
When you can have mine?
I ain't askin' for no sacrifice
Baby, your friends do not need to know!
I've got a real nice place to go
Listen
I don't need you to care
I don't need you to understand, yeah
All I want is for you to be there
And when I'm turned on, if you want me
I'm your man! (I'm your man)
[Chorus]
If you're gonna do it, do it right (right)
Do it with me
If you're gonna do it, do it right (right)
Do it with me
If you're gonna do it, do it right (right)
Do it with me
If you're gonna do it, do it right (right)
Do it with me
Now listen
If you're gonna do it, you know what I say?
If you're gonna do it don't throw it away
Don't throw it baby
(Don't throw it, don't throw it)

Because
I'll be your boy, I'll be your man
I'll be the one who understands
I'll be your first, I'll be your last
I'll be the only one you ask
I'll be your friend, I'll be your toy
I'll be the one who brings you joy
I'll be your hope, I'll be your pearl
I'll take you halfway 'round the world!
I'll make you rich, I'll make you poor
Just don't use the door
[Outro]
If you're gonna do it, do it right (right)
Do it with me
If you're gonna do it, do it right (right)
Do it with me
If you're gonna do it, do it right (right)
Do it with me

13. Outside

Back to nature, just human nature
Getting on back to
I think I'm done with the sofa
I think I'm done with the hall
I think I'm done with the kitchen table, baby

Let's go outside (let's go outside)
In the sunshine
I know you want to, but you can't say yes
Let's go outside (let's go outside)
In the moonshine
Take me to the places that I love best

So, my angel she says "don't you worry"
About the things they're saying, yeah
Got no friends in high places
And the game that you gave away
Wasn't worth playing

Let's go outside (let's go outside)
In the sunshine
I know you want to, but you can't say yes
Let's go outside (let's go outside)
In the meantime
Take me to the places that I love best

And yes, I've been bad
Doctor won't you do with me what you can
You see I think about it all the time
Twenty-four seven (twenty-four, twenty-four seven)

You say you want it; you got it
I never really said it before
There's nothing here but flesh and bone
There's nothing more, nothing more
There's nothing more

Back to nature, it's human nature
Getting on back to

I think I'm done with the sofa
I think I'm done with the hall
I think I'm done with the kitchen table, baby

Let's go outside (let's go outside)
In the sunshine
I know you want to, but you can't say yes
Let's go outside (let's go outside)
In the moonshine
Take me to the places that I love best

And yes, I've been bad
Doctor won't you do with me what you can
You see I think about it all the time
I'd service the community (but I already have you see!)
I never really said it before

There's nothing here but flesh and bone
There's nothing more, nothing more
There's nothing more
Let's go outside
Dancing on the d-train baby

When the moon is high
And the grass is jumpin'
Come on, just keep on funkun'
Keep on funkun', just keep on funkun'

14. Edge of Heaven

Ahhh
La da da da da

Yeah yeah yeah
La da da da da
Yeah yeah yeah yeah yeah (x3)

I would lock you up but I could not bear to hear you
Screaming to be set free
I would chain you up if I'd thought you'd swear
The only one that mattered was me, me, me
I would strap you up but don't worry baby
You know I wouldn't hurt you unless you wanted me to
It's too late to stop, won't the heavens save me?
My daddy said the devil looks a lot like you

Take me to the edge of heaven
Tell me that my soul's forgiven
Hide your baby's eyes and we can...

Take me to the edge of heaven
One last time might be forever
When the passion dies
It's just a matter of time before my heart is looking for a home

Yeah yeah yeah
La da da da da
Yeah yeah yeah yeah yeah (x2)

I'm like a maniac at the end of the day
I'm like a doggie barking at your door
So come and take me back to the place you stay
And maybe we can do it once more
I'm dangerous but don't worry, baby
I get excited at the things that you do
And there's a place for us in a dirty movie
'Cause no one does it better than me and you

Take me to the edge of heaven
Tell me that my soul's forgiven
Hide your baby's eyes and we can
Take me to the edge of heaven
One last time might be forever
Please don't tell me lies
It's just a matter of time before my heart is looking for a home

Yeah yeah yeah
La da da da da
Yeah yeah yeah yeah yeah (x2)
I ain't got no more worries
I'm gonna spend some time with you
Loving you takes such courage
And don't you think that
I know it, I know it, I know it, I know it (x2)

Take me to the edge of heaven
Tell me that my soul's forgiven
Hide your baby's eyes and we can
We can, woo
Take me to the edge of heaven
One last time might be forever
Don't you tell me lies
Because believe me, baby
One day you'll wake up on your own

Yeah yeah yeah (WOO)
La da da da da
Yeah yeah yeah yeah yeah

Yeah yeah yeah
La da da da da
Yeah yeah yeah yeah yeah
I ain't got no more worries
I ain't got no more time for you
Loving you takes such courage
Everyone's got their eye on you
I ain't got no more worries
I ain't got no more time for you
Loving you takes such courage
And don't you think that
I know it, I know it, I know it, I know it

15. Young Guns

Hey sucker, Hey sucker
(What the hell's got into you?)
Hey sucker
(Now there's nothing you can do)

Well, I hadn't seen your face around town awhile,

So, I greeted you, with a knowing smile,
When I saw that girl upon your arm,
I knew she won your heart with a fatal charm.
I said "Soul Boy, let's hit the town!"
I said "Soul Boy, what's with the frown?"
But in return, all you could say was
"Hi George, meet my fiancée"

Young Guns,
Having some fun
Crazy ladies keep 'em on the run.
Wise guys realize there's danger in emotional ties.
See me, single and free
No tears, no fears, what I want to be.
One, two, take a look at you
Death by matrimony!

Hey sucker, Hey sucker
(What the hell's got into you?)
Hey sucker
(Now there's nothing you can do)

A married man? you're out of your head
Sleepless nights, on an H.P. bed
A daddy by the time you're twenty-one
If your happy with a nappy, then you're in for fun.
But you're here- And you're there
Well, there's guys like you just everywhere
Looking back on the good old days?
Well, this young gun says CAUTION PAYS!

Young Guns, Having some fun
Crazy ladies keep 'em on the run.
Wise guys realize there's danger in emotional ties.
See me, single and free
No tears, no fears, what I want to be.
One, two, take a look at you
Death by matrimony!

I remember when he such fun and everthing was fine,
I remember when we use to have a good time,
Partners in crime.
Tell me that's all in the past and I will gladly walk away,
Tell me that you're happy now,
Turning my back-
Nothing to say!

"Hey, tell this jerk to take a hike,
There's somethin' 'bout that boy I don't like"
"Well sugar he don't mean the things he said"
"Just get him outta my way, 'cause I'm seeing red
We got plans to make, we got things to buy
And you're wasting time on some creepy guy"
"Hey, shut up chick, that's a friend of mine,
Just watch your mouth babe, you're out of line"
OoooooH!

GET BACK
HANDS OFF
GO FOR IT!

Young Guns, Having some fun
Crazy ladies keep 'em on the run.
Wise guys realize there's danger in emotional ties.
See me, single and free
No tears, no fears, what I want to be.
One, two, take a look at you
Death by matrimony!

16. Don't let the sun go down on me

I can't light no more of your darkness
All my pictures seem to fade to black and white
I'm growing tired and time stands still before me
Frozen here on the ladder of my life
Too late to save myself from falling
I took a chance and changed your way of life
But you misread my meaning when I met you
Closed the door and left me blind by the light

Don't let the sun go down on me (Don't let the sun)
Although I search myself it's always someone else I see
I'd just allow a fragment of your life (Don't let the sun)
To wander free
But losing everything is like the sun going down on me

I can't find, oh, the right romantic line
But see me once and see the way I feel
Don't discard me just because you think I mean you harm
But these cuts I have, oh, they need love to help them heal

Don't let the sun go down on me (Don't let the sun)
Although I search myself it's always someone else I see
I'd just allow a fragment of your life (Don't let the sun)
To wander free

But losing everything is like the sun going down on me
Don't let the sun go down on me (Don't let the sun)
Although I search myself it's always someone else I see
I'd just allow a fragment of your life (Don't let the sun)
To wander free, yeah
But losing everything is like the sun going down on me
